

# The Mirror carrying case

This case lets you take Mirror with you—anywhere.

---

## Why a carrying case?

Designed for educators on the go, the Mirror carrying case makes transporting Mirror from school site to school site, or cross country for a conference presentation\* easy.

\*Recommended use for airline travel: carry on. The case is not rigid enough to be a checked bag.

## Specs

### Durable and ready for the skies

Nylon with foam-lined interior to keep Mirror's screen dust and particle free, ready to present anywhere. Protects the body and screen during auto and air travel (carry-on only).

### Ergonomically designed for comfort

Reflection shouldn't feel heavy on your mind OR body! The carry bag lets you tote Mirror securely and comfortably.

**Material:** Nylon outer shell with polyethylene foam lining

**Dimensions:** 22×14×8.5"

Meets TSA carry-on limit for use in overhead compartments; you should consult your airline as they may enforce their own separate overhead compartment policies. NOT recommended as checked luggage. Additional packing material required for shipping or air transit.

**Washing:** Hand wash only
