

# Strategic guide: Teacher focus

## How to use this guide

- Compare across units/periods
- Document interventions
- Plan next quarter

## Why long-term analysis

- Track growth trajectories
- Validate teaching methods
- Inform differentiation
- Support student goals

## Key metrics & thresholds

### Understanding growth

- Target: 5% improvement per quarter
- Flag if below 70% for 3+ weeks
- Note concepts <65% across units

### Zone balance

- 80% in "Ideal" zone
- <10% consistently "Above"
- <10% consistently "Below"

### Group insights

- Recurring themes across units
- Intervention success patterns
- Common misconception trends

## Assessment integration

- Map to standards
- Support IEP/504 goals
- Document RTI progress
